

This miscellaneous report is filed in response to your request for additional information on the April 15, 2007 report. Please note that all requests for solicitations include a clear and conspicuous request for the contributor information.

If this information is not provided at the time a donor makes a contribution, the Committee follows up with a second request, either via mail, e-mail, or phone call. These second requests do not include an additional solicitation. When additional information is received from donors, the reports are amended to include the new information.

In regards to the itemized debts to Katie Nee and Cooper, Secrest Associates, note that the Committee had contracts with both of these entities which called for the payment of a win bonus.

Please let us know if we can provide any further information.
